Preventing & Defending Nursing Home Litigation

A panel of Dickie McCamey attorneys, experienced in defending nursing homes, presented a one-hour webinar on April 22, 2015, providing attendees with best practice strategies to avoid litigation.

Topics included:

- Past Problems and Future Resolutions – how to empower your employees and documentation guidelines
- Discovery Issues in Nursing Home Litigation – what is discoverable and can be used against you
- A New Era of Litigation – with a focus on social media
