Medicare Compliance: Referral Form

Medicare: the “M” word that can instill confusion and raise questions for those unfamiliar with the laws and regulations governing Medicare compliance.

How do I protect myself and my company from fines and penalties Medicare may impose?

What do I need to do to make sure I am protecting Medicare’s future and present interest on this case?

Do I have the right mechanisms in place to ensure that we are Medicare compliant?

Are we properly reporting claims to Medicare?

*Where do I go for help … the **right** kind of **help**?*
