

Section 111 Mandatory Reporting

Dickie, McCamey & Chilcote's Medicare Compliance Group provides a full scope of consulting services regarding the Mandatory Reporting Requirements of Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (MMSEA). Our team delivers comprehensive guidance and assistance to liability insurers, workers' compensation insurers, self-insured organizations, and other entities that may have a reporting obligation under the federal reporting requirements. Our services include:

- Entity reporting obligation assessment
- Development and auditing of a Section 111 compliance protocol
- Training for staff to implement a new or existing Section 111 compliance protocol
- Data reporting agent services
- Legal case analysis
- Detailed review of settlement contracts and agent contracts
- Quarterly and Direct Data Entry (DDE) system development

Our Group has extensive experience assisting clients across the country with a full range of Section 111 program matters. With an experienced team of attorneys, legal nurse consultants, and Medicare professionals at their side, our clients can be confident that they have the information and support they need to comply with complex Section 111 reporting requirements.
