Dickie, McCamey & Chilcote Ranks in Top Tier of U.S. News' Rankings of America's Best Law Firms

The Pittsburgh-based law firm of Dickie, McCamey & Chilcote, P.C. has been ranked in the top tier of American law firms in the fields of construction law and railroad law, according to *U.S. News & World Report*.

According to the new rankings released this week, Dickie McCamey placed in the highest tier in both areas, as well as in the second tier nationally in transportation law and class action tort litigation. The firm was ranked in the third tier in commercial litigation.

The *U.S. News – Best Lawyers®* “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process.

Selecting the *U.S. News – Best Lawyers®* “Best Law Firms” involved surveying thousands of law firm clients, leading lawyers and law firm managers, partners and associates, and marketing officers and recruiting officers. Each were asked what factors they considered vital for clients hiring law firms, for lawyers choosing a firm to refer a legal matter to, and for lawyers seeking employment.

In addition to its high national rankings, Dickie McCamey also was named in the first tier of Pittsburgh-based law firms in eleven areas of practice, including commercial litigation, construction law, criminal defense, medical malpractice, workers’ compensation, railroad law, product liability litigation, personal injury litigation, and others.

“We’re honored to be recognized by our peers and the business community,” said Dickie McCamey managing director Jeff Wiley. “I believe the quality of a law firm is determined by its people and its clients, and the *U.S. News’* rankings are a tribute to the people who work for us and with us.”

A complete listing of the *U.S. News’* rankings is available online at www.bestlawfirms.usnews.com and will be on newsstands later this year.
